

V....Vaughan Oil Painting Workshop

Saturday, October 8 - Monday, October 10, 2011

\$275 plus the cost of lodging and meals

Program V....Vaughan teaches principles of being able to capture information quickly with confidence of eye and hand. Vaughan has spent 19 years teaching art to young people and can give you the foundation for seeing the elements needed to break down complex forms into simple shapes. Space is limited and this is a workshop not to miss!

More Information contact: Linda Welsch, fieldnotes@nctc.net, Amanda Mobley, amobley@bonecreek.org, or V....Vaughan www.v-vaughan.com/art/index.htm

Workshop will take place in plein aire locations in and around David City, with an indoor studio space at the Aquinas High School, art room 19, 3420 MN Rd.

Schedule will include full days of painting instruction on location. Techniques will be structured around Vaughan's "Last Year on the Farm" and "Passing America" series. A detailed daily itinerary will be sent to participants as the workshop approaches.
